SUBJECT: AUTHORIZATION TO ISSUE A REQUEST FOR PROPOSALS FROM OUTSIDE AGENCIES QUALIFIED TO OPERATE ALTERNATIVE PROGRAMS TO PROVIDE EDUCATIONAL SERVICES FOR MIAMI-DADE COUNTY PUBLIC SCHOOLS STUDENTS AND TO APPROVE THE ESTABLISHMENT OF A SELECTION COMMITTEE

COMMITTEE: EDUCATION AND SCHOOL OPERATIONS

Authorization is sought to issue a Request for Proposals (RFP) allowing outside agencies qualified to operate alternative education programs for Miami-Dade County Public Schools (M-DCPS) students. The purpose of this RFP will be to award successful proposers contracts with M-DCPS to provide educational services to children at risk. These services include, but are not limited to, the following: intensive counseling, anger management (where applicable), survival skills, individual tutoring, and intervention strategies in smaller, non-public school settings. Due to the extenuating circumstances of the children served, the small classroom setting, coupled with holistic approaches to the needs of each individual child, help to mitigate the factors which often contribute to the children's failure in traditional school settings.

The criteria for outside agencies to qualify shall include, but not be limited to: detailed costs analyses, proof of insurance, a safe physical plant, adequate security, various support services, personnel qualifications, and educational training designed to meet the needs of children at risk.

A committee will determine the selection of the outside alternative education agencies on the basis of qualification, experience, and insurance. The selection committee will be comprised of the following M-DCPS personnel, as well as a member of the community:

- an administrator from the Office of Adult/Vocational, Alternative and Community Education Programs;
- an administrator from the Office of Evaluation and Research;
- two administrators from the Office of Alternative Education and Dropout Prevention Programs;
- an administrator from the Office of Exceptional Student Education and Psychological Services;
- an administrator from the Division of Procurement Management and Materials Testing (non-voting);

- an administrator from the Division of Business Development and Assistance
- a counselor from an alternative education site;
- a member of the local community with professional experience in child welfare.

Once the RFP has been approved, it will be sent out to various organizations who have entered into contracts or who have expressed interest in entering into contracts with M-DCPS for the purpose of providing alternative programming to children at risk.

The estimated time for implementation is as follows:

Procurement Contract Review Committee.....	March 6, 2003
Request Board Approval to issue RFP and approval of a Selection Committee.....	March 12, 2003
Mailing of RFP.....	March 17, 2003
Opening of Proposals.....	April 15, 2003
Evaluation completed by Selection Committee.....	April 23, 2003
Contract Award.....	May 14, 2003

Funds necessary for implementing this program will be provided yearly by FTE generated dollars through the Florida Education Finance Program (FEFP). All programs are funded annually at 95 percent of the earned FTE.

The appropriation for this item will be included in the General Fund of the 2003-2004 Tentative Budget to be recommended for adoption in July 2003, under Fund 0100, Function 5104, Program 6040, Object 5310, and Locations 8017.

2. approve the selection committee who will evaluate the proposals.

IV. GENERAL INFORMATION ABOUT THE SCHOOL DISTRICT AND DESCRIPTION OF THE PROGRAM

The School Board of Miami-Dade County, Florida, is the fourth largest school system in the nation with an annual budget over \$4 billion for fiscal year ending June 30, 2002. The District has over 350 school sites, 360,202 students and 47,000 full and part-time employees.

M-DCPS is responsible for establishing a climate in the schools, which encourages learning. The establishment of a program for outside agencies seeking funding from M-DCPS is intended to ensure that each agency conforms to the same Board-approved standards for contracted programs.

V. TECHNICAL REQUIREMENTS

Municipalities or organizations wishing to be considered for this program must agree to contribute the following resources to the program: space, telephone and facsimile equipment, electricity, and security personnel. M-DCPS will provide transportation from a designated bus stop to the center.

Evidence of security clearance will be documented for each of the proposer's staff that will provide services to students. Since M-DCPS is a public agency, which serves children and adolescents, all employees and contracted personnel must have a security clearance to insure individuals with criminal records involving moral turpitude do not have contact with students. Professionals who are proposed to provide services will comply with security clearance procedures

as prescribed by; see Attachment A - **Security Clearance Procedures for Miami-Dade County Public Schools**

Contracted program centers will be required to fingerprint all employees, and to follow M-DCPS procedures for the employment of personnel. The cost of fingerprinting will be borne by the contracted program or the employee. All employees shall be on probationary status pending fingerprint processing.

General drug screening on all applicants for instructional and non-instructional positions in contracted programs shall be conducted. A negative drug screening result shall be a requirement. The cost will be borne by the contracted program or the employee.

An annual financial audit, requested and paid by the proposer shall be performed by a qualified Certified Public Accountant. The audit shall be performed in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. The proposer shall provide such audit within one hundred fifty (150) workdays after its fiscal year end.

Design of the school shall include small learning communities and areas of support services.

VI. COST OF SERVICES

Proposals must include an itemization of procedures of developing a program to provide an alternative education setting to M-DCPS students, at a cost not to exceed 95 percent of basic FTE, plus a portion of funding identified from Appropriations 131-A.

VII. TERMS OF CONTRACT

The term of the proposal shall be for one year from date of award, and may, by mutual agreement between the School Board and the awardee(s), be extended for two additional one year periods, and if needed, 90 days beyond the expiration date of the current extension period, contingent upon continued receipt of funds appropriated by the Legislature on a year by year basis. The School Board, through the Bureau of Procurement and Materials Management, may, if considering to extend, request a letter of intent to extend from the awardee(s) prior to the end of the current contract period. The awardee(s) will be notified when the recommendation has been acted upon by the School Board. All prices shall be firm for the term of the contract.

VIII. EVALUATION OF PROPOSALS

Proposals will be evaluated by representatives of the school district, in order to ascertain which proposal best meets the needs of the School Board. The selection committee will consist of the following:

Evaluation consideration will include, but is not limited to, the following:

- A. Responsiveness of the proposal clearly stating an understanding of the work to be performed meeting all the guidelines.
- B. Cost may not be the dominant factor, but will have some significance. It will be a particularly important factor when all other evaluation criteria are relatively equal.
- C. Expertise in the areas addressed in the Request for Proposals, and the ability to respond in a timely, accurate manner to the district's requirements are essential.
- D. Proof of program effectiveness in increasing educational progress in reading and mathematics.

- F. Evidence of three years experience successfully serving disruptive and low achieving students.
- G. Evidence of compliance with M-DCPS personnel procedures.

The school district reserves the right to reject any and all proposals submitted. When the final selection is made, a professional service agreement acceptable to the Attorney for the Board will be entered into with the successful proposer. No debriefing or discussion will be held with unsuccessful vendors.

IX. AFFIRMATIVE ACTION REQUIREMENTS AND MINORITY/WOMEN BUSINESS ENTERPRISE (M/WBE) PARTICIPATION

- A. Equal Employment Opportunity
It is the policy of the School Board that no person will be denied access, employment training, or promotion on the basis of gender, race, color, religion, ethnic, or national origin, political beliefs, marital status, age, sexual orientation, social and family background, linguistic preference, or disability, and that merit principles will be followed.

Each proposer shall be required to indicate its equal employment policy and provide a detailed breakdown by ethnicity, gender and occupation categories of its work force (Attachment B).

- B. M/WBE Participation

If a minority firm, which is woman-owned and operated, or African American-owned and operated, is utilized in conjunction with the scope of work, the proposer is to indicate the scope of the minority proposer's work, experience in this type of required service and experience of staff who shall participate.

All Minority/Women firms must be certified by the Division of Business Development and Assistance prior to contract award (Attachment C).

- C. A quarterly report documenting efforts undertaken by the proposer to maintain the stipulated M/WBE participation will be required. The report shall include the names of firms, contact persons and expenditures paid to date. The report shall be submitted to the Director, Division of Business Development and Assistance, 1450 NE 2nd Avenue, Room 456, Miami, Florida 33132.

The following shall be deemed to be indemnitees: The School Board of Miami-Dade County, Florida, and its members, officers and employees.
