**SUBJECT: EXTEND CONTRACT NO. 068-AA07 – AUTOMOTIVE REPAIRS
FOR SCHOOL BOARD VEHICLES**

COMMITTEE: BUSINESS AND FINANCIAL SERVICES

The purpose of the bid, opened on January 23, 2001, was to establish a contract, to purchase, at firm labor rates and parts markups/discounts, quantities, as may be required, of automotive repairs for School Board vehicles, for the Department of Transportation, Vehicle Maintenance. The terms of agreement, as contained in the contract, awarded by the Board on April 18, 2001, and extended on March 13, 2002, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for two (2) additional one (1) year periods. The contract is currently in its first extension period. The awardees have agreed to extend for the second one (1) year extension period, by letter, on file, with the exception of J and J Automotive, Inc., of Miami, Florida. It is considered to be in the best interest of the Board to extend this contract, for an additional (1) one year period, at the current prices, to benefit from fixed labor rates and parts markups/discounts, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of December 2002, indicated an increase of 2.4%.
