**SUBJECT: EXTEND CONTRACT NO. 118-AA11 – SPEECH AND HEARING
EQUIPMENT AND ACCESSORIES, CATALOG DISCOUNT**

COMMITTEE: BUSINESS AND FINANCIAL SERVICES

The purpose of the bid, opened on April 24, 2001, was to establish a contract, to purchase, at firm discounts, quantities, as may be required, of speech and hearing equipment and accessories, for the Office of Exceptional Student Education and various schools. The terms of agreement, as contained in the contract, awarded by the Board on June 20, 2001, and extended on June 19, 2002, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for two (2) additional one (1) year periods. The contract is currently in its first extension period. The awardees have agreed to extend for the second one (1) year extension period, by letter, on file. It is considered to be in the best interest of the Board to extend this contract, for an additional (1) one year period, at the current prices, to benefit from discounts, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of February 2003, indicated an increase of 3.0%.
