**SUBJECT: EXTEND CONTRACT NO. 122-AA02 – WASTE REMOVAL:
 OILY RAGS AND OIL FILTERS, HAZARDOUS/NON-
 HAZARDOUS MATERIAL**

COMMITTEE: BUSINESS AND FINANCIAL SERVICES

The purpose of the bid, opened on March 27, 2001, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of waste removal of oily rags and oil filters, hazardous/non-hazardous material, for the Department of Safety, Environment and Hazards Management. The terms of agreement, as contained in the contract, awarded by the Board on June 20, 2001, and extended on June 19, 2002, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for two (2) additional one (1) year periods. The contract is currently in its first extension period. The awardees have agreed to extend for the second one (1) year extension period, by letter, on file. It is considered to be in the best interest of the Board to extend this contract, for an additional (1) one year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of April 2003, indicated an increase of 2.2%.
