

Facilities Operations, Maintenance and Planning
Ana Rijo-Conde, Interim Assistant Superintendent

SUBJECT: AUTHORIZATION TO ACCEPT A DECLARATION OF RESTRICTIONS IN CONNECTION WITH APPLICATION NO. 02-303, DAMAAJ INTERNATIONAL AND ROBERT CARTER TRUSTEE, LOCATED ON THE SOUTHWEST CORNER OF S.W. 164 AVENUE AND S.W. 288 STREET, PROVIDING FOR A MONETARY DONATION IN ADDITION TO EDUCATIONAL FACILITIES IMPACT FEES AS ALLOWED FOR UNDER THE INTERLOCAL AGREEMENT

COMMITTEE: FACILITIES MANAGEMENT

Background

Damaaj International and Robert Carter, Trustee (applicants), are requesting a zoning change from AU (Agricultural) to EU-M (Estates Modified Single Family), on 13.1 acres located on the southwest corner of S.W. 164 Avenue and S.W. 288 Street (see location map). The proposed additional 26-unit residential development is estimated to generate 17 students (see attached school impact analysis). The existing AU zoning presently allows the applicant to build 2 units.

Pursuant to the terms of the Interlocal Agreement for School Facility Planning (Interlocal), the School Board (Board), local government, in this instance Miami-Dade County (County), and the development community are to collaborate to develop options which seek to address the impact of proposed residential development on public schools where the development would result in an increase in the schools' FISH % utilization (permanent and relocatable), beyond the threshold review level of 115%. Please note that all of the school facilities impacted by the proposed development meet the referenced threshold.

Additional Information

In connection with the rezoning request and to mitigate the impact of the proposed development on the public school system at all the levels, the applicant is voluntarily proffering a Declaration of Restrictions (Covenant) to the Board. Pursuant to the Covenant, the applicant will donate the amount of \$22,100, in addition to educational facilities impact fees estimated at \$68,544. The entire donation is due prior to final plat approval. In the event the County approves fewer units, the donation would be reduced on a pro-rata basis.

The donation is to be utilized for capital improvements at the schools within the affected feeder pattern (Leisure City Elemiddle School and/or South Dade Senior High School). To the extent that there are no pending or proposed capital improvements at the referenced schools, the donation would be utilized for capital improvements at other schools within the affected feeder pattern.

The Covenant will be reviewed by the School Board Attorney's Office prior to recordation.

RECOMMENDED:

That The School Board of Miami-Dade County, Florida, authorize the Superintendent to accept a Declaration of Restrictions in connection with Miami-Dade County Application No. 02-303, Damaaj International and Robert Carter Trustee, located at the southwest corner of S.W. 164 Avenue and S.W. 288 Street, for the provision of a voluntary monetary donation over and above educational facilities impact fees in the amount of \$22,100.
