

Facilities Operations, Maintenance and Planning
Ana Rijo-Conde, Interim Assistant Superintendent

SUBJECT: AUTHORIZATION TO ACCEPT A DECLARATION OF RESTRICTIONS IN CONNECTION WITH APPLICATION NO. 01-172, EDWARD HOLLODAK, TRUSTEE, LOCATED WEST OF S.W. 85 AVENUE AND SOUTH OF S.W. 214 STREET, PROVIDING FOR A MONETARY DONATION IN ADDITION TO EDUCATIONAL FACILITIES IMPACT FEES AS ALLOWED FOR UNDER THE INTERLOCAL AGREEMENT

COMMITTEE: FACILITIES MANAGEMENT

Background

Edward Hollodak, Trustee (applicant), requested a zoning change from BU-2 (Business-special) to RU-3M (Minimum Apartment House), on 9.45 acres located west of S.W. 85 Avenue and south of S.W. 214 Street (see location map). The Miami-Dade County Zoning Appeals Board 15 approved the application on July 24, 2003. The proposed 57-unit residential development is estimated to generate 35 students (see attached school impact analysis).

Pursuant to the terms of the Interlocal Agreement for School Facility Planning (Interlocal), the School Board (Board), local government, in this instance Miami-Dade County (County), and the development community are to collaborate to develop options which seek to address the impact of proposed residential development on public schools where the development would result in an increase in the schools' FISH % utilization (permanent and relocatable), beyond the threshold review level of 115%. Please note that only two school facilities impacted by the proposed development (middle and senior high schools) meet the referenced threshold.

Additional Information

In connection with the rezoning request and to mitigate the impact of the proposed development on the public school system at all the levels, the applicant is voluntarily proffering a Declaration of Restrictions (Covenant) to the Board. Pursuant to the Covenant, the applicant will donate the amount of \$57,000, in addition to educational facilities impact fees estimated at \$139,536. The entire donation is due prior to final plat approval. In the event the County approves fewer units, the donation will not be reduced on a pro-rata basis and will remain the same.

The donation is to be utilized for capital improvements at the impacted schools (Dr. Edward

L. Whigham Elementary School, Centennial Middle School and/or Miami Southridge Senior High School). To the extent that there are no pending or proposed capital improvements at the referenced schools, the donation would be utilized for capital improvements at other schools within the affected feeder pattern.

The Covenant will be reviewed by the School Board Attorney's Office prior to recordation.

RECOMMENDED:

That The School Board of Miami-Dade County, Florida, authorize the Superintendent to accept a Declaration of Restrictions in connection with Miami-Dade County Application No. 01-172, Edward Hollodak, Trustee, located west of S.W. 85 Avenue and south of S.W. 214 Street, for the provision of a voluntary monetary donation over and above educational facilities impact fees in the amount of \$57,000.
