**SUBJECT: EXTEND CONTRACT NO. 206-XX04 – TELEPHONE SERVICE,
WIRELESS AND INTEGRATED TWO-WAY RADIO/WIRELESS
TELEPHONE**

COMMITTEE: BUSINESS AND FINANCIAL SERVICES

The purpose of the bid, opened on July 9, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of wireless and integrated two-way radio/wireless telephone service, for various locations. The terms of agreement, as contained in the contract, awarded by the Board on September 8, 1999, and extended on August 22, 2001, and August 21, 2002, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for three (3) additional one (1) year periods. The contract is currently in its second extension period. The awardees have agreed to extend for the third one (1) year extension period, by letter, on file. It is considered to be in the best interest of the Board to extend this contract, for an additional one (1) year period, at the current or lower prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of May 2003, indicated an increase of 1.9% for Education and Communication, and to maintain continuity of service.
