

Mercedes Toural, Chief Education Officer
and Deputy Superintendent of Schools

SUBJECT: REQUEST AUTHORIZATION TO ACCEPT GRANT AWARDS FROM THE FLORIDA DEPARTMENT OF EDUCATION FOR FUNDING UNDER THE PUBLIC CHARTER SCHOOL FEDERAL GRANT PROGRAM AND ENTER INTO SEPARATE CONTRACTUAL AGREEMENTS WITH ARCHIMEDEAN ACADEMY, INC., AND NORTH DADE COMMUNITY CHARTER SCHOOL, INC.

COMMITTEE: EDUCATION AND SCHOOL OPERATIONS

The Florida Department of Education (FDOE) issued a Request for Proposal under the Public Charter School Federal Grant Program for the purpose of awarding grants to charter schools partnering with local educational agencies in order to provide a high quality education for all students. The Public Charter School Federal Grant Program provides funds only to those charter schools which have been approved by the local school district, and which have established a collaborative partnership for the oversight and operation of the charter schools. Funds received from this grant will be used to improve the quality of education, support planning activities, and provide supplemental funding that would be made available from non-federal sources.

In collaboration with Miami-Dade County Public Schools (M-DCPS), Archimedean Academy and North Dade Community Charter School submitted grant applications to support charter school operations.

It is anticipated that the charter schools will receive the following funding amounts:

Charter School	Grant Type	Amount of Grant	Indirect Costs	Contract Amount
Archimedean Academy	Second year Implementation Grant	\$200,000	\$6,670	\$193,330
North Dade Community Charter School	Second year Implementation Grant	\$200,000	\$6,670	\$193,330
TOTAL		\$400,000	\$13,340	\$386,660

B-60

In accordance with the FDOE grant guidelines, M-DCPS must be the fiscal agent on behalf of each of the charter schools that receive such grants. The Board's approval of the recommended action would not constitute an endorsement of the grants or their intended use. It would merely satisfy the Board's requirement under Florida Statutes, Section 1002.33, Charter Schools, which requires that M-DCPS monitor the revenues and expenditures of the charter school(s).

Authorization is requested for M-DCPS to enter into separate contractual agreements with the aforementioned charter schools for the amounts indicated. The charter schools will be responsible for implementing the program outlined in their respective grant applications and expending the grant funds.

No matching funds are required as a condition to receive the grant funding. Grant funds in the amount of \$400,000 will be used for hourly personnel, field trips, and educational supplies.

Official notification relative to these grant awards was received on November 24, 2003, which is after the start of the grant period. Reimbursement of grant-related expenditures is authorized effective July 24, 2003.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, authorize the Superintendent to:

1. accept grant awards from the Florida Department of Education for funding under the Public Charter School Federal Grant Program in the total amount of \$400,000 for the grant period of July 24, 2003 through September 30, 2004;
2. enter into separate contractual agreements with: Archimedean Academy, Inc., on behalf of Archimedean Academy, in an amount not to exceed \$193,330; and North Dade Community Charter School, Inc., on behalf of North Dade Community Charter School, in an amount not to exceed \$193,330;
3. approve acceptance of these grant awards in accordance with Florida Statutes, Section 1002.33, Charter Schools. This action is not an endorsement of the activities undertaken by charter schools;
4. extend these programs and contractual agreements as authorized through official notification from the granting agency, in order to complete the goals of the programs; and
5. direct Financial Affairs to establish appropriations in the amounts approved by the granting agency; such appropriations to be reported periodically to the Board.
