SUBJECT: STATUS REPORT ON PENDING ITEMS

**COMMITTEE: LEGISLATIVE RELATIONS, POLICY DEVELOPMENT
AND PERSONNEL SERVICES**

During recent meetings, the School Board has taken action on, or been presented with several issues to which the Administration has committed to certain actions within a brief time period.

At this time, an update is requested of the Superintendent and discussion by the School Board on the status of the following items:

1. Principals' Survey
At its November 19, 2003 meeting, the School Board directed the Superintendent to "provide the previously-requested Principals' Survey in January 2004."
2. Classroom Size Reduction
Progress made to date on classroom size reduction goals, as discussed in a December 12th memorandum to the Board and at a December 13th press conference.
3. AIP Paperwork Reduction
Administration and UTD met in December to discuss streamlining paperwork for teaching staff in the management of Academic Improvement Plans (AIP).

**ACTION PROPOSED BY
FRANK J. BOLAÑOS:**

That The School Board of Miami-Dade County, Florida receive a report from the Superintendent, discuss and take appropriate action on the following items:

1. Principal's Survey
2. Classroom Size Reduction Plan
3. AIP Paperwork Reduction
