COMMITTEE: FACILITIES MANAGEMENT

The Project Architect's final construction cost estimate for this project is \$583,601. The construction budget for this project is \$588,000. The original construction budget for this project was \$450,000. The adjusted construction budget amount is \$588,000. The difference is due to an increase in scope that includes a new 70-space parking lot for staff and visitors, landscaping, irrigation and a new masonry enclosure for five dumpsters.

The Base Bid of the low bidder is .76% over the Project Architect's construction cost estimate.

This project has been set-aside for a Minority owned and operated firm.

Advertised bids were received and opened on March 2, 2004 by The School Board of Miami-Dade County, Florida and were tabulated and analyzed as follows:
