Financial Affairs  
Edward Marquez, Chief Financial Officer

**SUBJECT: REJECT BID NO. 059-CC06 – SUBTERRANEAN AND DRYWOOD  
TERMITE ERADICATION**

**COMMITTEE: BUSINESS AND FINANCIAL SERVICES**

The purpose of this bid, opened on February 19, 2004, was to establish a contract, to purchase, at firm unit prices, subterranean and drywood termite eradication, for Facilities Operations. Of 58 vendors sent bid forms or card notices of this advertised bid, no bids were received.

This first-time bid was structured to mirror successful bids in other counties. However, when no bids were received, staff contacted potential vendors to determine why they chose not to bid. Vendors advised that unique conditions on specific sites could impact the pricing they could offer. Accordingly, the bid specifications will be revised to permit re-bidding.
