SUBJECT: APPOINTMENTS AND LATERAL ASSIGNMENTS OF MANAGERIAL EXEMPT, PROFESSIONAL, AND TECHNICAL PERSONNEL FOR 2003-2004

ESTABLISH AND CLASSIFY PROFESSIONAL AND TECHNICAL (DCSAA) POSITION

COMMITTEE: LEGISLATIVE RELATIONS, PUBLIC RELATIONS AND PERSONNEL SERVICES

The following recommendations are made in accordance with Board Rules 6Gx13- 4A-1.16, 6Gx13- 4A-1.161, and the Miami-Dade County Public Schools/Dade County Schools Administrators' Association labor contract.

Considerations for reassignments of managerial exempt, professional, and technical personnel were predicated upon an intensive review of information by the appropriate administrators and the Superintendent of Schools.

The recommended managerial exempt, professional, and technical personnel appointments reflect the honoring of requests for lateral reassignments, where possible. Assignments of personnel and appointments of managerial exempt, professional, and technical staff are a direct result of the Board-approved advertisement and selection process.

State Statutes and subsequent changes in Board rules governing Administrative/Professional and Technical Staffing require that all first year principalship appointments be "Interim" appointments.

In order to fill school-site allocations and other allocations vacated by promotion, leave, retirement, and other attritional factors, it is recommended that the following personnel assignments be authorized by the School Board. Revisions, additions and/or deletions may be made to the recommended personnel assignments, as necessary, to assure efficient school system operations, and if such modifications are made, a revised Board item will be submitted prior to the Board meeting.

Revised
H-2

RECOMMENDED: That The School Board of Miami-Dade County, Florida:

1. Establish and classify the position of Information Systems Design Control Officer, Office of Management and Compliance Audits, DCSAA pay grade 44, and
2. approve the following recommendations for appointments and lateral transfers to be effective June 17, 2004, or as soon thereafter as can be facilitated, with the exception of assistant principals to be effective August 5, 2004 unless otherwise specified, and other effective dates as noted throughout the item:
