COMMITTEE: EDUCATION AND SCHOOL OPERATIONS

Authorization is requested for the Superintendent to enter into contractual agreements with the Florida International University (FIU) College of Engineering and Design to continue the Pre-apprentice Residential Electrical Wiring Program at Miami-Douglas MacArthur Senior High School South (MacArthur South), in an amount not exceed \$33,042, and Barbara Goleman Senior High School (Goleman), in an amount not to exceed \$29,152, for a total amount not to exceed \$62,194, effective July 1, 2004 through June 30, 2005.

In August 1995, FIU began a Pre-apprentice Residential Electrical Wiring Program at MacArthur South and in September 2000, began the same program at Goleman. The program provides internships and scholarships, attempts to place every student on a job in the field of residential electrical wiring, and allows students who earn As and Bs to receive FIU credits.

Approximately 45 students will be enrolled in the program at MacArthur South and 20 severely emotionally disturbed (SED) students will be enrolled at Goleman. Selected SED students from Hialeah-Miami Lakes Senior High School will also be enrolled in this program at Goleman. The selected students at each center will attend the program and, at the end of the school year, may possibly earn an FIU credit. To facilitate this program, FIU will provide the instructors and graduate students needed for the academic instruction as well as educational materials and learning activities. Electricians from private industry will conduct safety seminars and demonstrations.

The Professional Services Contract Committee, established by School Board Rule 6Gx13-3F-1.021, reviewed these contractual agreements on May 27, 2004, and recommended that an exception to the rule regarding bids or Request for Proposals be granted because of FIU's specific expertise in this field.

The appropriation for this item will be included in the General Fund of the 2004-2005 Tentative Budget to be recommended for adoption in July 2004 under the following structures:

School	Fund	Object	Location	Program	Function
Miami-Douglas MacArthur South	0100	5390	9724	6083	5120
