SUBJECT: COLLECTIVE MEETINGS BETWEEN THE MIAMI-DADE COUNTY SCHOOL BOARD AND THE BOARD OF COUNTY COMMISSIONERS.

Revised

COMMITTEE: LEGISLATIVE RELATIONS, PUBLIC RELATIONS AND PERSONNEL SERVICES

There are many areas of mutual responsibility that are governed by both the School Board and the County Commission. Interrelated issues addressed by both bodies include land use planning, transportation, public safety, parks and recreation. Welcoming the Board of County Commissioners to attend Miami-Dade County School Board Committee meetings at the School Board Administration Building will lead to greater efficiency and the proper use of resources to meet mutual needs and goals. Community leaders have informed me that these gatherings occurred in the past with worthwhile results. County Commissioners will be informed of the schedule of School Board Committee meetings and shall be encouraged to attend and participate in these meetings. This will further enhance cooperation in all areas of common interest.
