At the November 17, 2004, School Board meeting, the Board voted to accept a grant award from the United States Department of Education (USDOE) for funding to improve and strengthen school Emergency Response and Crisis Management (ERCM) plans. The grant application submitted by the District presented a comprehensive plan inclusive of initiatives geared to better preparing, responding, mitigating, preventing, and recovering from critical incidents. The application identified National School Safety and Security Services for providing the important table top simulation portion of the plan.

The services to be provided by National School Safety and Security Services include:

- conduct table top simulation training exercises in each region;
- conduct debriefings for each exercise;
- conduct ½ day workshops for Transportation personnel on ERCM topics;
- project management; and
- provide final report and recommendations.

The Professional Services Contract Committee, established by School Board Rule 6Gx13- 3F-1.021, reviewed this request at its January 12, 2005 meeting, and recommended that an exception to the rule regarding bids or Request For Proposals be granted as otherwise determined by the Committee. } Revised
