This early dismissal is permissible under Section 228.041 (13) School Day, Florida Statutes.

Since there are only two days scheduled for post-school planning activities, the reduced school day for elementary and secondary schools provides additional time for teachers to prepare for the closing, such as grading examinations, posting and averaging grades, and reviewing promotion requirements. Additionally, Zone schools are expected to facilitate parent conferences, student exhibitions/performances, transitions and other end-of-the-year activities.
