**SUBJECT:           REQUEST FOR APPROVAL OF RESOLUTION NO. 05-10 OF  
THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA,  
PROCLAIMING APRIL AS CHILD ABUSE AND NEGLECT  
PREVENTION MONTH IN MIAMI-DADE COUNTY'S PUBLIC  
SCHOOLS**

**COMMITTEE:       INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS**

In 1982, President Ronald Reagan declared the month of April as National Child Abuse Prevention Month. Since that time, child abuse and neglect prevention awareness activities, including a Blue Ribbon Campaign, have been promoted across America.

The Blue Ribbon Campaign originated in Virginia in 1989 when a grandmother, whose grandson died from child abuse, tied a blue ribbon on her vehicle as a constant reminder to fight for the protection of children. The campaign has grown to such an extent that people throughout the country are encouraged to wear a blue ribbon as a visible symbol of the need to commit to keeping children safe, to increasing knowledge and awareness of child abuse and to being compassionate toward children.

Child abuse, the behavior directed toward a child by an adult that endangers or impairs the child's physical or emotional health and development, affects all segments of society; it knows no socioeconomic, cultural, ethnic or religious boundaries. It must be eliminated. In an effort to help accomplish this, preliminary collaboration among staff and officials from Miami-Dade County Public Schools, Miami-Dade County and the City of Miami have taken place regarding appropriate activities to raise awareness regarding the issue.
