COMMITTEE: SCHOOL SUPPORT ACCOUNTABILITY

Miami-Dade County Public Schools (M-DCPS) honors Mr. Stuart Miller, Chairman; Mr. Jeff Krasnoff, President/CEO; Ms. Shelly Rubin, CFO; and Ms. Barbara Wolverton, Human Resources Director for the partnership of LNR Property Corporation with Fienberg/Fisher Elementary School. For the last two years, the associates of LNR have been actively involved in the volunteer program at the school. More than 20 of their associates come at least once a month as part of a team and work with students for one-hour blocks, in a tutorial/mentoring program. Last year, as part of a holiday activity, more than 250 associates partnered with pre-selected students and participated in two magnificent activities which left a legacy at the school. Half of the associates worked with a group of students and painted a map of the United States and the flags of the country of origin of the participating students in one of the courtyards; the other group of associates worked on the felt squares of a quilt of the United States, which is in permanent exhibit at the Media Center. This year, LNR has made a donation of \$50,400 to fund the cost of the salaries and materials of the after school tutorial program at the school. The school is very proud and thankful of this partnership.
