

Ms. Evelyn Langlieb Greer, Board Member

**SUBJECT: REQUEST TO ESTABLISH THE APPOINTMENTS TO THE EFBD
BOARD OF SUPERVISORS.**

COMMITTEE: FACILITIES AND CONSTRUCTION REFORM

The Educational Facilities Benefit District (EFBD) requires a Board of Supervisors to review and recommend site plans and funding agreements of any educational facilities within the EFBD. Appointments to this EFBD Board of Supervisors need to be made as soon as possible due to an upcoming organizational meeting.

Names of the appointments to the EFBD Board of Supervisors should be made in order to ensure an adequate number of representatives on the EFBD Board of Supervisors. It is recommended that three appointments to the Board of Supervisors be established: two from the Chair of the School Board, and one from the Superintendent.

ACTION PROPOSED BY

EVELYN LANGLIEB GREER: That The School Board of Miami-Dade County, Florida establish three appointments to the Educational Facilities Benefit District Board of Supervisors.
