The above agencies sponsor after school programs or approved Charter Schools for Miami-Dade County Public Schools students. Staff from the approved agencies pick-up the requested number of snacks and/or meals daily from the school food service manager at the assigned school location. Agencies are billed \$0.65 per snack and \$0.60 per breakfast and \$1.25 per lunch per day. The Miami-Dade Community Action Agency, which administers Head Start Programs, is billed \$0.40 per snack per day, due to the smaller snack portion size for younger children (Pre-K 3 and 4). The school food service manager maintains daily billing records for the snacks and/or meals served to the approved agency and the School Food Service Accounting Department provides monthly billings to each agency for the total number of snacks and/or meals sold.
