**COMMITTEE:       SCHOOL SUPPORT ACCOUNTABILITY**

Since the first Comcast Cares Day in 2001, Comcast employees and their families have contributed more than 375,000 volunteer hours to more than 725 non-profit community partners across the country. On October 1, 2005, more than 400 Comcast employees and their family members kicked off the fourth annual Comcast Cares Day throughout South Florida. This year, the Comcast Cares Day included a project at Miami Edison Middle School, where volunteers painted, cleaned and planted trees.

The school district recognizes the leadership Comcast has shown by enriching both its employees and area public schools through its annual Comcast Cares Day event. This event allows community members, business leaders and students to come together to make educational and physical improvements to their schools. The event also focuses on the importance of community service and making a difference in one's own neighborhood.

**ACTION PROPOSED BY

That The School Board of Miami-Dade County, Florida, approve Resolution No. 05-46 of The School Board of Miami-Dade County, Florida, recognizing Comcast as a champion of community service to the Miami-Dade County Public Schools over the past four years through its annual Comcast Cares Day event.
