**SUBJECT: APPROVAL OF 2005-2006 EDUCATIONAL EXCELLENCE SCHOOL  
ADVISORY COUNCIL MEMBERSHIP ROSTERS**

**COMMITTEE: INSTRUCTIONAL EXCELLENCE AND COMMUNITY ENGAGEMENT**

As required by Section 1001.452, F.5, Florida Statutes, every Miami-Dade County public school and educational center has created an Educational Excellence School Advisory Council (EESAC). The EESAC serves as the conduit through which stakeholders are involved in decisions pertaining to student achievement and school improvement initiatives. As such, it is the final decision making body in the preparation and evaluation of the School Improvement Plan and the mid year and final reviews. Additional recommendations are made by this council to the principal in the areas of budget preparation, training, instructional materials, technology, staffing, student support services, school safety, and discipline strategies.

These councils are composed of the principal, the United Teachers of Dade designated steward, and a balanced number of teachers, education support employees, students, parents, and business/community representatives. In addition, each ESSAC must be representative of the ethnic, racial, linguistic, disabled, and economic community served by the school, and a majority of its members must be persons not employed at that school. At least one member must represent the Exceptional Student Education program at the school. The rosters are updated annually to fill vacancies. All concerns regarding the composition of the council and requests for composition waivers are reviewed by the EESAC Support Committee.

Copies of the Educational Excellence School Advisory Council Membership Rosters for each school are available on the web at [sqi.dadeschools.net](http://sqi.dadeschools.net). Additionally, a CD is available for review in the Office of Board Recording Secretary, Room 924, and the Citizen Information Center, Room 158, 1450 N.E. 2<sup>nd</sup> Avenue, Miami, Florida 33132.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, approve the 2005-2006 Educational Excellence School Advisory Council Membership Rosters.
