RELATIONS**

On Saturday, March 4, 2006, the cheers erupted into a victory celebration as the Miami Norland Senior High School boys basketball team beat top-ranked Winter Park to take the Class 6A state title. It is the Norland Vikings' first state basketball championship win.

A school with a long, rich history, Miami Norland is becoming an athletic powerhouse. In the last four years, the Vikings have won their first state championships in football and boys basketball as well as second-place finishes in girls basketball and boys track. This amazing success in short time is something of which the entire school district can be proud and something this Board should wholeheartedly praise and support.
