SUBJECT: SUPERINTENDENT'S "EXTENSION TERM" ASSESSMENT WORKSHOP

Revised

COMMITTEE: SCHOOL SUPPORT & ACCOUNTABILITY

In accordance to the Superintendent's Employment Agreement entered into at the May 17, 2004 Special Board Meeting, the Superintendent's contract term shall be automatically extended for four years until June 30, 2010 if the Superintendent is employed as Superintendent on July 1, 2006. The Employment Agreement further provides that the Superintendent "shall be provided an opportunity to discuss his self-assessment with the Board" on an annual basis.

In light of the significance of the "Extension Term" provision of the Superintendent's Employment Agreement, the School Board should hold a workshop to assess the Superintendent and provide an opportunity to him to discuss his self-assessment prior to extending his contract to June 30, 2010. This workshop could be conducted with Ms. Caroline Kitchens as facilitator because of her expertise in this area or the School Board Chair or his designee could serve as facilitator.

Revised

The School Board, as the guardian of the public trust, must provide an appropriate mechanism to ensure a transparent process of assessment before implementing the extension term of the Superintendent's Employment Agreement and awarding an additional four-year contract to the Superintendent. This workshop should occur during May of 2006 in order for the Board and the Superintendent to conduct this assessment in June in time for the Board to act on the Extension Term of the Superintendent's Employment Agreement.
