**SUBJECT: PROPOSED AMENDMENT OF SCHOOL BOARD RULE: FINAL
READING 6Gx13- 7E-1.02, EDUCATIONAL FACILITIES - NAMING**

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENT RELATIONS

At the School Board meeting of March 15, 2006, the School Board authorized the amendment of School Board Rule 6Gx13- 7E-1.02, to provide clarity with respect to the process that must be followed in selecting the name for prospective educational facilities or in renaming existing educational facilities.

The proposed amendment to School Board Rule 6Gx13- 7E-1.02, provides for changes in the composition of the Educational Facilities Naming Committee to include an additional voting member to be designated by the Board Member in whose district the school or facility to be named is located, ensuring the existence of a tie-breaker in situations where the Committee does not obtain a majority vote in favor of a particular name for a school. The amendment will also bring conformity with current school district procedures.

The Notice of Intended Action was published in the *Miami Daily Business Review* on March 20, 2006, posted in various places for public information, and mailed to various organizations representing persons affected by the amended rule and to individuals requesting notification.

The time to request a hearing or protest the adoption of this rule has elapsed.

In accordance with the provisions of the Administrative Procedure Act, this amended rule is presented to The School Board of Miami-Dade County, Florida, for adoption and authorization to file the rule in the official records of The School Board of Miami-Dade County, Florida.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, adopt amended School Board Rule 6Gx13- 7E-1.02, *Educational Facilities – Naming*, and authorize the Superintendent to file the rule with The School Board of Miami-Dade County, Florida, to be effective April 18, 2006.
