Parkview Elementary/Concerned
Parent,
Voter and Taxpayer Since Parkview Elementary is a Title I School, why
wasn't Parkview given extra money for outside tutoring
for our kids with reading problems?

My daughter is a second grader at Parkview Elementary.
Why did she have to qualify for ESE before she could get
that extra one-on-one from her school?

Why can't the second, first and kindergarten students
who also take tests get four months of tutoring as the
third, fourth and fifth graders do for FCAT?
