**SUBJECT: REQUEST FOR APPROVAL OF RESOLUTION NO. 06-48 OF
THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA,
RECOGNIZING COMMUNITY BLOOD CENTERS OF SOUTH
FLORIDA**

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

Miami Dade County Public Schools is one of the largest and most dependable blood donor groups in our community and has a rich history of partnership with Community Blood Centers of South Florida (CBCSF). Currently, students teachers and staff provide one of every fifteen units of blood donated to CBCSF.

As an active partner in our schools, CBCSF, goes beyond their core mission to provide additional opportunities to our children and student leaders. These opportunities range from active participation in the school based blood drives to supporting of the HIV/AIDS education programs in our schools.

Most notably, CBCSF has contributed over one million dollars in scholarships over the last several years to our graduating students through the College Assistance Program. This generosity has meant opportunity to hundreds of families in our community, who might not have otherwise had resources for college education.

At this time it is recommended that the Miami-Dade School Board recognize the positive outcomes of this successful partnership and the commitment of Community Blood Centers of South Florida to our public schools.
