

Office of School Facilities
Rose Diamond, Chief Facilities Officer

SUBJECT: APPROVE THE ADDITION OF CONSULTING ENGINEERING AND SCIENCE, INC., AS CIVIL ENGINEER, TO THE AGREEMENT WITH MC HARRY & ASSOCIATES, INC., AS ARCHITECT/ENGINEER OF RECORD FOR NEW STATE SCHOOL "W-1" (TO RELIEVE DANTE B. FASCELL AND DR. BOWMAN FOSTER ASHE ELEMENTARY SCHOOLS), A RE-USE OF THE ELEMENTARY SCHOOL PROTOTYPE PROJECT NO. A01032

COMMITTEE: FACILITIES AND CONSTRUCTION REFORM

On August 2, 2006, the Board commissioned the firm of MC Harry & Associates, Inc. (MC Harry) as Architect/Engineer of Record for New State School "W-1" (to relieve Dante B. Fascell and Dr. Bowman Foster Ashe Elementary Schools), a re-use of the Elementary School Prototype, Project No. A01032. MC Harry is seeking authorization from the Board to add a second civil engineer because the original civil engineer will not be available for this project.

The engineering firm proposed by MC Harry is Consulting Engineering and Sciences, Inc. Should the Board approve this request, the A/E Agreement with MC Harry will be amended to reflect the addition of a second civil engineer (designated specialist).

All other terms and conditions of the Agreement would remain the same.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, approve the addition of Consulting Engineering and Science, Inc., as civil engineer, to the Agreement with MC Harry & Associates, Inc., as Architect/Engineer of Record for New State School "W-1" (to relieve Dante B. Fascell and Dr. Bowman Foster Ashe Elementary Schools), a re-use of the Elementary School Prototype, Project No. A01032.
