**SUBJECT: PROPOSED AMENDMENT OF SCHOOL BOARD RULE: INITIAL
READING 6Gx13- 5A-1.10, ATTENDANCE AREAS 2006-2007**

COMMITTEE: SCHOOL SUPPORT ACCOUNTABILITY

This item is submitted for consideration by The School Board of Miami-Dade County, Florida, to amend Board Rule 6Gx13- 5A-1.10, Attendance Areas 2006-2007, to revise procedures for establishing school attendance boundaries for 2007-2008 and 2008-2009.

In prior years, attendance boundaries were established by local committees focusing on space availability within the community. The challenge now is to comply with the additional mandate of Class Size Reduction while providing specific direction to communities as attendance boundaries are established for 2007-2008 and 2008-2009.

In order to be compliant with constitutional requirements related to Class Size Reduction, 39,000 student stations have been added in the 2005-2006, 2006-2007 school years with an additional 53,700 student stations being built over the next two years. These student stations are being built to bring relief to specific schools for a specific number of students. To ensure that relief is provided to the intended schools, the revised procedures allow the Superintendent of Schools, with the assistance of School Operations and the Office of School Facilities, to develop proposed boundary recommendations. The proposed recommendations will be presented at Regional meetings to the affected school communities. The boundary recommendations will then be reviewed by the 17 Attendance Boundary Committee (ABC) members (representing School Board members, the Superintendent, the Diversity, Equity and Excellence Advisory Committee, the PTA/PTSA, and the Superintendent's District Advisory Panel for Students with Disabilities).

Attached are the Notice of Intended Action and the rule proposed for amendment. Changes from the current rule are indicated by underscoring words to be added and ~~striking through~~ words to be deleted.

Authorization of the Board is requested for the Superintendent to initiate rulemaking proceedings in accordance with the Administrative Procedure Act for the amendment of School Board Rule 6Gx13- 5A-1.10, Attendance Areas 2006-2007.

NOTICE OF INTENDED ACTION

THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, announced on October 11, 2006, its intention to amend Board Rule 6Gx13- 5A-1.10, Attendance Areas 2006-2007, at its meeting of November 21, 2006.

PURPOSE AND EFFECT: To establish procedures allowing the Superintendent of Schools, with the assistance of School Operations and the Office of School Facilities, to develop proposed boundary recommendations that are reviewed by the Attendance Boundary Committee. This will result in redefining the current process through which attendance zones are established for elementary and secondary schools.

SUMMARY: Thirty-nine thousand (39,000) student stations have been added in the 2005-2006 and 2006-2007 school years and an additional 53,700 student stations will be built over the next two years. The student stations are being built to relieve overcrowding, to be compliance with constitutional requirements related to Class Size Reduction, and to eliminate relocatable/portable classrooms. The Office of School Facilities and School Operations will provide the Attendance Boundary Committee and the community with attendance boundaries for schools opening in 2007-2008 and 2008-2009. Community and Attendance Boundary Committee meetings will be held to present the attendance boundaries established for 2007-2008 and 2008-2009. This rule will ensure that appropriate relief is given to the intended schools.
