

Ms. Evelyn Langlieb Greer, Board Member

**SUBJECT:       REQUEST AUTHORIZATION TO SELL SURPLUS EQUIPMENT  
                  FROM THE MARINE SERVICE TECHNOLOGY PROGRAM AT  
                  MIAMI LAKES EDUCATIONAL CENTER TO THE SHAKE-A-LEG  
                  FOUNDATION**

**COMMITTEE:   INSTRUCTIONAL EXCELLENCE AND COMMUNITY ENGAGEMENT**

Shake-A-Leg Miami is a non-profit educational and recreational organization located on Biscayne Bay in Coconut Grove. Working in conjunction with the City of Miami, Miami-Dade County and 60 community-based organizations, they operate South Florida's only adaptive sailing program and various educational programs.

Permission is requested to declare the equipment indicated herein from the Marine Service Technology Program at Miami Lakes Educational Center as surplus and to sell said equipment to the Shake-A-Leg Foundation for \$1.00. Presently this equipment, the majority having been purchased over twenty years ago, serves no useful function at the school, and does not support any of the courses offered or anticipated to be offered at the Miami Lakes Educational Center. School Board Rule 6Gx13-3B-1.09 (*Disposal of Tangible Personal Property*), provides that: "The Board may, in the reasonable exercise of its discretion, include any property valued between \$1,000 and \$5,000 in a bid or auction, or offer such property, which is not otherwise disposed of by auction or bid, to governmental units or private nonprofit agencies. . . . in the District by direct sale." The sale to the Shake-A-Leg Foundation is in the best interest of the public, and especially the students served by the Foundation. A complete list of specified items is attached.

**RECOMMENDED:**     That The School Board of Miami-Dade County, Florida:

- 1) Declare the equipment from the Marine Service Technology Program at Miami Lakes Educational Center as described in the list attached hereto to be surplus property; and
- 2) Authorize the sale of this surplus equipment to the Shake-A-Leg Foundation at the price of \$1.00.
