COMMITTEE: INSTRUCTIONAL EXCELLENCE AND COMMUNITY ENGAGEMENT

Every year the College Board recognizes the many high school students who have academically distinguished themselves by announcing Advanced Placement (AP) Scholar Award recipients. The students receive a certificate and their achievement is acknowledged on any subsequent Advanced Placement (AP) Grade Reports sent to colleges. Award recipients not only gain recognition from colleges, but also win the admiration of their peers, families, and community.

Notification has been received that there are 1,887 Miami-Dade County Public School (M-DCPS) students from 36 senior high schools who have achieved AP Scholar status.

There are five categories of AP Scholar Awards granted for various levels of achievement. They are as follows:

- **AP Scholar**
Granted to students who receive grades of 3 or higher on three or more AP Exams.
- **AP Scholar with Honor**
Granted to students who receive an average grade of at least 3.25 on all AP Exams taken and grades of 3 or higher on four or more of these exams.
- **AP Scholar with Distinction**

The following are highlights of the data:

- The total number of M-DCPS senior high schools receiving Scholar Awards increased by 56% from 23 in 2004-2005 to 36 in 2005-2006.
- The total number of M-DCPS students receiving Scholar Awards increased by 232% from 569 in 2004-2005 to 1,887 in 2005-2006.
- M-DCPS **AP Scholars** increased by 322% from 252 students in 2004-2005 to 1,063 students in 2005-2006.
- M-DCPS **AP Scholars with Honor** increased by 233% from 92 students in 2004-2005 to 306 students in 2005-2006.
- M-DCPS **AP Scholars with Distinction** increased by 287% from 113 students in 2004-2005 to 438 students in 2005-2006.

In an unprecedented occurrence, during the 2006 May AP Exam administration, two students, one male and one female from Miami Palmetto Senior High School, received a grade of 3 or higher on the greatest number of AP Exams and the highest average grade (at least 3.5) on all AP Exams taken in the State of Florida. This academic accomplishment earned these two M-DCPS students the designation of being the only two *AP State Scholars* for the entire State of Florida.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, acknowledge the 1,887 M-DCPS and 23 Charter School students who have been recognized as *AP Scholars* by the College Board and distinguish the 36 M-DCPS and two Charter representative senior high schools for their success with the Advanced Placement (AP) Program.
