

Ms. Ana Rivas Logan, Board Member

**SUBJECT: CREATE AN INVESTIGATIVE SYSTEMS SPECIALIST
POSITION TO OVERSEE THE INVESTIGATIVE SYSTEM AND
REPORT DIRECTLY TO THE SCHOOL BOARD**

**COMMITTEE: INNOVATION, EFFICIENCY AND GOVERNMENTAL
RELATIONS**

As of January 1, 2007 the Personnel Investigative Model (PIM) no longer had an Investigative System Specialist to maintain the system, implement security, identify unusual activities, complete development, generate reports and implement improvements. Many investigative reports have been compromised by adding, removing or editing the reports.

Therefore, it would be prudent for Miami-Dade County Public Schools to hire an Investigative System Specialist who reports directly to the School Board. The Investigative System Specialist should be independent reporting directly to the School Board Members only.

ACTION PROPOSED BY

MS. ANA RIVAS LOGAN: That The School Board of Miami-Dade County, Florida direct the superintendent of Schools to initiate the processes for the advertising, scheduling of interviews and the hiring of an independent Investigative System Specialist who reports to Board Members only.
