ACTIVITIES**FINGERPRINTING OF ALL EMPLOYEES PRIOR TO EMPLOYMENT**

Pursuant to Florida Statute 1012.32, it is the intent of the School Board to ensure that only individuals of good moral character be employed by the school system. The Miami-Dade County Public Schools work force is mobile and an employee in the course of a career may be assigned to various work locations where students are present. It is thus necessary to perform the appropriate security checks on all applicants.

1. All applicants for full-time and part-time jobs shall be fingerprinted for employment. The cost of the fingerprinting and the fingerprint processing shall be borne by the applicants, except applicants who are K-12 Miami-Dade County Public Schools students. Miami-Dade County Public Schools shall bear the costs for the K-12 students.

Applicants not found to be of good moral character will not be eligible for employment.

For purposes of this rule, good moral character means exemplifying the acts and conduct which would cause a reasonable person to have confidence in an individual's honesty, fairness and respect for the rights of others and for the laws of the state and nation.

For purposes of this rule, moral turpitude means "a crime that is evidenced by an act of baseness, vileness or depravity in the private and social duties, which, according to the accepted standards of the time a man owes to his or her fellow man or to society in general, and the doing of the act itself and not its prohibition by statute fixes the moral turpitude."
