STRATEGIC PLAN: IMPROVE RETURN ON INVESTMENT OF GRANT DOLLARS

Authorization is requested to accept a grant through a contractual agreement, in the approximate amount of \$360,000, with Pearson Education, Inc., publishing as Scott Foresman (Scott Foresman) for the grant period from September 5, 2007, through June 30, 2009. Scott Foresman will provide funding to support one administrator and one Curriculum Support Specialist to provide professional development in order to implement components of the District's K-12 Comprehensive Science Plan. This grant will be managed by Curriculum and Instruction, and supports the Superintendent's initiative to increase academic performance for all students. } Revised

During the 2006-2007 school year, the District purchased the Scott Foresman science textbook series as the core science curriculum for all elementary schools. To ensure effective implementation of the science textbook adoption, Scott Foresman will fund two full-time positions to design, develop, and deliver effective professional development which will be coordinated in conjunction with Regional Center and District personnel. All elementary schools will benefit from the training opportunities and workshops.

No matching funds are required as a condition to receive this grant funding. Funds will cover salaries and fringe benefits for one administrator and one Curriculum Support Specialist. Indirect cost is not allowed.
