C-100

Section 1003.57(1)(d), Florida Statutes, requires that district school boards submit proposed procedures for the provision of special instruction and services for exceptional students to the FDOE once every three years. Due to anticipated changes resulting from the rule development process, it has been determined that a one-year extension of the existing document is the most effective way to meet all requirements in a timely manner. Rule 6A-6.03441, Florida Administrative Code (FAC), requires the approval of this document by the FDOE as a prerequisite for utilizing weighted cost factors under the Florida Education Finance Program. This document also serves as the basis for the identification, evaluation, eligibility determination, and placement of students in special education programs.

The addendum to the *Policies and Procedures for the Provision of Specially Designed Instruction and Related Services for Exceptional Students, Effective Dates: 2004-2005 through 2006-2007*, and the extension of the document are to comply with specifications from the FDOE. This document will be in effect for the 2007-2008 school year or until a new document is forwarded by the FDOE and approved by the Board.

The Notice of intended Action was published in the *Miami Daily Business Review* on September 10, 2007, posted in various places for public information, and mailed to various organizations representing persons affected by the amended rule, and to individuals requesting notification.

The time to request a hearing or protest the adoption of this rule has elapsed.

In accordance with the provisions of the Administrative Procedures Act, this amended rule is presented to The School Board of Miami-Dade County, Florida, for adoption and authorization to file the rule in the official records of The School Board of Miami-Dade County, Florida.

Attached are the Notice of Intended Action and the proposed amended rule. Changes from the current rule are indicated by underscoring words to be added and ~~striking through~~ words to be deleted.

Copies of the 2007-2008 addendum to the *Policies and Procedures for the Provision of Specially Designed Instruction and Related Services for Exceptional Students, Effective Dates: 2004-2005 through 2006-2007*, will be forwarded to the Board members under separate cover and will be available for inspection by the public in the office of Board recording Secretary, Room 924, and the Citizen Information Center, Room 158, 1450 N.E. Second Avenue, Miami, Florida 33132.

1. adopt amended Board Rule 6Gx13- 6A-1.331, Procedures for Providing Special Education for Exceptional Students, and authorize the Superintendent to file the rule with The School Board of Miami-Dade County, Florida, to be effective October 17, 2007; and
