STRATEGIC PLAN: IMPROVE RETURN ON INVESTMENT OF GRANT DOLLARS

Authorization is requested to accept a grant award in the amount of \$475,000, from the Florida Department of Education (FLDOE), and to enter into a contractual agreement with Learning for Life, Inc., in the amount of \$475,000, to implement the character education program, for the grant period of July 1, 2007, through June 30, 2008. The 2007 General Appropriations Act, Specific Appropriation 105A, authorized the FLDOE to award grants to selected school districts implementing Learning for Life Character Education Programs provided by Learning for Life, Inc. The purpose of this program is to improve student life skills and student achievement, with a focus on reading, writing, critical thinking, and career preparation; to build student character, which includes the development of self-worth, self-confidence, motivation, and ethical decision-making skills; and to improve classroom behavior. The program is managed by Curriculum and Instruction, Social Sciences, and supports the District's goal to ensure achievement of high academic standards by all students.

The number of participating schools increased from 43 in the 2006-2007 school year to 51 schools projected for the 2007-2008 school year. Participant selection is targeted to C, D, F and Zone schools first. Additional schools are selected based on percentages of students eligible for exceptional student education and free or reduced-price lunch programs. Participation is voluntary as determined by the principals. The Executive Director of the Learning for Life program is Otto Goedhart.

No matching funds are required as a condition to receive the grant award. Grant funds will be used for contracted services. Indirect cost is not allowed. Reimbursement of grant-related expenditures is authorized effective July 1, 2007.
