STRATEGIC PLAN: EVALUATE AND REDESIGN INTERNAL BUSINESS
OPERATIONS**

This emergency request was required to purchase sheet-metal fabrication services for Van E. Blanton Elementary School, during the spring recess period, for Maintenance Operations. The fabrication and installation of fifty-four (54) pigeon guards, drain pans, and piping for wall air-conditioning units were required to address pigeons nesting on top of these units. Pigeon droppings were creating unsanitary conditions for students and faculty.

Staff is in the process of developing a term bid to address future sheet-metal service requirements.
