SUBJECT: REQUEST APPROVAL OF RESOLUTION NO. 08-54 OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, CONGRATULATING MIAMI NORLAND SENIOR HIGH SCHOOL ON THEIR 50TH ANNIVERSARY

COMMITTEE: INSTRUCTIONAL EXCELLENCE AND COMMUNITY ENGAGEMENT

LINK TO DISTRICT STRATEGIC PLAN: INCREASE STUDENT EXPOSURE & UNDERSTANDING OF GLOBAL ISSUES

Miami Norland Senior High School, named after the community it serves, first welcomed students in September 1958. The school's mission is to provide a quality experience that will educate students to fulfill their roles as responsible, productive citizens who respect individuality, cultural differences, and realize their potential as life-long learners. The school's academy model offers students specialized courses based on their area of career interest. Students receive individualized services within a traditional school setting which includes the JROTC, Tech Prep, and the Institute of Business Technology.

Miami Norland Senior High School's two magnet programs include Children's Advocacy, Research, Education and Services (C.A.R.E.S.) and Travel and Tourism. C.A.R.E.S. prepares students for careers in children's advocacy and services. The Travel and Tourism program allows students to explore careers in the tourism industry. As a "High Schools that Work" site, the school integrates a national school reform initiative, combining high academic standards with vocational/technical courses of study. This model enables the students to master the essential content necessary for college preparation as core academics are applied to vocational and technical content.

Miami Norland Senior High School offers challenging academic programs, including gifted programs, advanced academic programs, anatomy and physiology classes, psychology classes, journalism opportunities, and a television/broadcasting program.
