STRATEGIC PLAN: IMPROVE CONSTRUCTION AND MAINTENANCE SERVICES**

The purpose of this bid, opened on June 24, 2008, is to purchase, at firm unit prices, quantities, as may be required, of coarse aggregates, soil mix and clay, for Maintenance Materials Management stock. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Five (5) vendors responded to this advertised solicitation. Inasmuch as coarse aggregates are currently a volatile commodity, the bid is structured to award a primary and two (2) alternates and obtain firm fixed pricing for the initial three (3) months of the contract. Thereafter, quotes will be obtained every three (3) months, for the quantities requested.
