Coltec Engineering, Inc. (Coltec) has offered the unconditional donation of one 130- ton air cooled chiller to Miami-Dade County Public Schools. This equipment was purchased by Coltec for their purposes and sole use in 2006, at a price of approximately \$40,000. The unit is covered by a valid, transferrable warranty, which will remain in effect until March 2011.

The chiller was used by Coltec to provide temporary cooling for various projects, but is no longer needed. The equipment has been inspected by District staff and determined to be in operational condition.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida authorize the Superintendent to accept the donation of one 130-ton air cooled chiller from Coltec Engineering, Inc.
