

Dr. Marta Pérez, Board Member

**SUBJECT: ROTATION OF SCHOOL BOARD LEADERSHIP POSITIONS**

**COMMITTEE: INSTRUCTIONAL EXCELLENCE AND COMMUNITY ENGAGEMENT**

**LINK TO DISTRICT**

**STRATEGIC PLAN: IMPROVE STAKEHOLDER SATISFACTION**

In the past I have proffered Board Agenda Items for the School Board to consider establishing an equitable and unpoliticized process for electing the School Board Chair and Vice Chair.

We should give consideration to the practice we currently have in place, which does not serve us well.

**ACTION PROPOSED BY**

**DR. MARTA PÉREZ:** That The School Board of Miami-Dade County, Florida, establish a rotational system of electing the Board Chair and Vice Chair.
