**SUBJECT:                   REQUEST FOR APPROVAL OF RESOLUTION NO. 10-008 OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, DESIGNATING MARCH 2010 AS WOMEN'S HISTORY MONTH TO BE CELEBRATED IN ALL MIAMI-DADE COUNTY PUBLIC SCHOOLS**

**COMMITTEE:               SCHOOL SUPPORT ACCOUNTABILITY**

**LINK TO STRATEGIC FRAMEWORK:               STUDENT, PARENT, AND COMMUNITY ENGAGEMENT**

In 1978, the Education Task Force of the Sonoma County, California Commission on the Status of Women initiated Women's History Week to celebrate the many historical and contemporary contributions of women to our nation.

In 1980, the National Women's History Project was founded by an educational nonprofit organization. In 1987, the founders of the National Women's History Project petitioned the United States Congress to expand the weeklong celebration to the entire month of March. Accordingly, each year Congress issues a resolution designating March as Women's History Month. With each year's observance, programs, events, and activities in celebration of Women's History Month have become more widespread as the roles of women and their important contributions have emerged.

In 1998, the Florida Legislature amended Florida Statutes to require instruction in "women's contributions to the United States." Throughout the school year, students in Miami-Dade County Public Schools study the many contributions of women, how they have impacted history, and their relevance to today's society. In recognition of Women's History Month, a curriculum packet will be distributed to all schools to enlighten students about women's contributions to our community, state, and nation.

The important work of women will be recognized this year under the theme "Writing Women Back into History."
