The following "Superintendent Authorized Requisitions" (SAR) had a purchase order issued within the guidelines of Board Rule 6Gx13- 3C-1.10 – Purchase Approval, which states that emergency purchases made in accordance with Board Rule 6Gx13- 3C-1.16 – Emergency Purchases, and approved by the Superintendent or his designee, will be reported to the Board as soon as possible.

This emergency request was for the Department of FF&E Operations to relocate the contents and furniture from North Dade Middle School and North Dade Center for Modern Languages to classrooms at North Miami Senior High School. The Office of Facilities Management requested prompt relocation action, in an abundance of caution, in order to insure the safety of the students and staff at the two facilities, after receiving a report of structural deficiencies in the two sites. The two facilities, built in 1957, are scheduled to be demolished in 2011. The District's term Bid No. 062-HH10, Relocation of Furniture, Fixtures and Equipment, for this type of service, requires solicitation of quotations from awarded vendors, prior to commencing work. In this emergency situation, staff contracted with one of the awarded vendors, who provided the necessary resources in a timely manner.
