Request For Proposals No. 044-KK10 – OUTSIDE AGENCIES QUALIFIED TO OPERATE ALTERNATIVE PROGRAMS FOR MIAMI-DADE COUNTY PUBLIC SCHOOLS AT-RISK STUDENTS, is to provide services to at-risk and/or adjudicated school-age youth, in grades 6-12, within Miami-Dade County, Florida, for the Educational Alternative Outreach Program (EAOP)/School Operations. The agencies will provide educational services to at-risk and adjudicated school-age youth, in grades 6-12, in multiple settings. The services may include: improve student achievement, improve attendance, increase graduation rate, reduce dropout rate, and provide personal, social and career-development skills. This is a term proposal. Four (4) vendors responded to this advertised solicitation.

A meeting of the Selection Committee to evaluate the proposals was held on May 26, 2010. Three responsive proposals were presented for consideration: AMIkids; Cuban American National Council, Inc.; and Richmond-Perrine Optimist Club, Inc. of Miami, Florida. The proposal received from Innovative Educational Programs, LLC was deemed non-responsive. After considerable discussion, the Committee unanimously recommended that three (3) agencies be considered for award.

The contracted amounts to be awarded to each agency are based on the 2010-2011 revenue per FTE allocation and include summer school. These figures are subject to change, if state revenues are prorated, and contracts will be adjusted accordingly, if necessary. The District funds the contracts at 95% of the basic FTE based on actual student attendance.
