

### Renewal of License Agreement

It is recommended that the term of the Agreement be renewed for a total of five years, commencing October 1, 2010 and ending September 30, 2015, for five parks: Gibson Park, Ambrister Park, Range Park, Shenandoah Park and West End Park. All terms and conditions of the Agreement will remain unchanged, including the District's ability to discontinue use of any park at any time upon 90 days written notice to the City. No physical improvements requiring the use of District funds are necessary as a result of the proposed Board action.

Region Centers II and III indicated a continuing need for the park space identified above for daily recreational activities for the period ending October 30, 2015. District staff will continue to validate use of each of the park sites on a quarterly basis.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, authorize the renewal of the License Agreement with the City of Miami for the use of five City of Miami parks, with the Board to reimburse the City for 60% of its actual costs. The term of the renewal option period will commence October 1, 2010, and will end September 30, 2015. All other terms and conditions of the License Agreement will remain unchanged.
