**LINK TO STRATEGIC
FRAMEWORK: STUDENT, PARENT AND COMMUNITY ENGAGEMENT**

This resolution is presented for the purpose of recognizing the efforts of Mr. Bob Schomber for his talents, leadership skills and 34 years of service on the Audit Committee. Mr. Schomber has served diligently as a member of the Miami-Dade County Public Schools Audit Committee since 1976, including three terms as Chair. His resignation from the Committee constitutes a real loss to the Audit Committee, the school district and Miami-Dade community.

The District is appreciative of Mr. Schomber's valuable contributions. He was a founding member of the Audit Committee. His responsibilities included assisting and advising the School Board and the Superintendent of Schools on matters pertaining to fiscal management of the school district, reviewing financial information to ensure that the District's overall audit coverage was sufficient, and ensuring that an adequate system of internal control is practiced. Due to his leadership and vision for the Audit Committee, other school districts have established audit committees of a similar nature.

The school district and the community have truly been the beneficiaries of Mr. Schomber's many years of service and unselfish dedication of his time, energy, expertise, experience and leadership talents. Mr. Schomber initially started his work with the committee as a public service to the school district for its exemplary work on behalf of educating children. Mr. Schomber is to be commended for his dedication and commitment to the students and parents of Miami-Dade County Public Schools as well as the residents of Miami-Dade County.
