FRAMEWORK:**

Request For Proposals No. 023-LL10 – TEENAGE PARENT PROGRAM (TAP) CHILD-CARE SERVICES FOR CHILDREN WHO MEET LEGISLATIVE ELIGIBILITY REQUIREMENTS FOR THE 2010-2011 SCHOOL YEAR, is to provide child-care services for approximately 800 at-risk children, birth to 3 years old, who are children of students seeking a high-school diploma. This is a term proposal. Three (3) proposers responded to this advertised solicitation.

Florida Law requires school boards to make adequate provision for pregnant and/or parenting teenagers to complete the coursework necessary to earn a high-school diploma. One of the many services which teen parents are provided is child-care, whereby students may choose to remain in their home schools or participate in the District's TAP program and receive child-care in a nearby facility of their choice.

The Selection Committee met to evaluate proposals received in response to the Request For Proposals, on November 15, 2010, to consider the three proposals received: Early Learning Coalition of Miami-Dade/Monroe, Inc., Lincoln Marti-Community Agency, Inc., and McDonald's Playworld, Inc. After considerable discussion, the Committee chose to accept all proposals, based on their ability to meet the needs of the District.
