

Financial Services
Richard H. Hinds, Chief Financial Officer

SUBJECT: AWARD BID NO. 035-KK11 – WIRELESS SERVICE AND EQUIPMENT

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

LINK TO STRATEGIC FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY

The purpose of this bid is to purchase, at firm unit prices, quantities, as may be required, of wireless service and equipment, for Miami-Dade County Public Schools and various administrative offices. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Award of a bid for wireless services is a prerequisite for the District's participation in the federal E-Rate program which reimburses a portion of schools' telecommunications expenditures. The prices reflected in this bid represent an annual savings of approximately \$200,000; however District policy related to assignment and use of wireless/cellular devices is presently under review to achieve additional cost reductions. Four (4) vendors responded to this advertised solicitation. This is an award to a primary and an alternate vendor.

Identical prices were submitted on Group 5, Items 35 through 44, by T-Mobile USA, Inc., of Bellevue, Washington and Sprint Solutions, Inc., of Reston, Virginia. The recommendation reflects the award of these tie low bid items to T-Mobile USA, Inc. pursuant to Board Rule 6Gx13- 3C-1.061 – Identical Prices – Priorities For Award.
