SUBJECT: PARTIAL AWARD BID NO. 010-NN09 – SECURITY CAMERA SYSTEMS – FURNISH AND INSTALL

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

LINK TO STRATEGIC FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY

Staff is currently reviewing the District's specifications and criteria for school security and surveillance systems, to incorporate cost-effective, new technologies in construction and renovation projects. Nevertheless, systems in existing facilities must be repaired and maintained.

The purpose of this bid is to establish a list of pre-qualified vendors for security camera systems work that may be required. These vendors will be contacted to submit competitive quotations for specific scopes of work on all jobs exceeding the \$1,000 threshold. This is a term bid which states that the Board may purchase quantities, as may be required, but is not obligated to purchase any guaranteed amount. Eleven (11) vendors responded to this advertised solicitation.

The term of the bid shall be for one (1) year from the date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardees, be extended.

Miami Business Telephone Corporation, Privid Eye Systems Corporation, and Structured Cabling Solutions, Inc. are being held for further evaluation, and will be recommended at a future Board meeting.

Strategies were employed to increase M/WBE participation. One (1) M/WBE vendor is being recommended for award, and two (2) M/WBE vendors are being held for further evaluation.
