LINK TO STRATEGIC FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY

The architectural firm of C3TS submitted documentation regarding a change in ownership to Stantec Consulting Services, Inc. The firm has certified that this change in ownership will have no effect on the management, staffing, insurance or administration of their agreements with Miami-Dade County Public Schools, or any related projects or services. The firm has submitted the required documentation under their new name and states that insurance provided by C3TS will remain in full force and effect, continuing to insure the obligations of the contracts according to their terms. Therefore, staff recommends that all open Project-Specific Agreements, Term Agreements and Work Orders, be amended to reflect the new ownership. All other terms, conditions and fees of the Agreements shall remain unchanged.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, authorize an amendment to the Agreements with Corzo Castella Carballo Thompson Salman, P.A., to reflect the company's change in ownership to Stantec Consulting Services, Inc., as Architect of Record for various projects/agreements and transfer all contractual obligations to Stantec Consulting Services, Inc.
